Who we are

We have high quality standards which we rigorously adhere to and we are totally committed to client satisfaction. This ensures service of the highest quality – as evidenced by the long-term stability of our clientele.

Serving since 1989, Mensa Design Pvt. Ltd. is a complete Communication, Content Development, Research and Print Solutions Company based in New Delhi, India. We are recognised for our value addition to the content and innovative designs. Our approach is always result oriented.

Over the years, we have evolved into a name to reckon with in conceptualization, editing, graphic designing, translations, printing, research, presentations, conferences and video production. Our clients include International NGOs, UN organizations, Corporates and Ministries.

A dynamic and energetic group of professionals, we are passionately committed to the highest standards of excellence and integrity. We are genuinely interested in the subjects we handle and this shows in the end results.

We have high quality standards which we rigorously adhere to and we are totally committed to client satisfaction. This ensures service of the highest quality – as evidenced by the long-term stability of our clientele.

At Mensa Design, we do things differently. Thinking out of the box is a habit. We cater to each client's need in a customised manner and go the extra mile to deliver the best.

As your partner we won't always tell you what you want to hear, but we promise to be honest always. We're a team of professionals who are full of energy and ideas and will stop at nothing to deliver what you want – results.

Our Clients

and many more...

Client Feedback

“...Thank you for an excellent job and timely delivery...We truly appreciate the work that you have done and look forward to future collaboration with you.”

“Thank you for further editing the report and for making an extra effort beyond your call of duty...to make this report correct and look good!”

“Many thanks! Looks fabulous!”

From a US client, in appreciation of our work...

“I was pleased to promote southern products that are of excellent quality, totally reliable, much cheaper, timely and much faster than what we find in the US. This seems to be another ground-breaking outcome.”

“This presentation was most professionally designed and was particularly contributory to the successful promotion of this document... the presentation also received excellent feedback and appreciation from the wide-ranging high-level participants, including the Chief Minister of Andhra Pradesh and the Deputy Chairman of the Rajya Sabha.”

“The presentation was extremely well-researched, conceptualized, designed and developed and has been very useful to us.”
